TOOLS GUIDE FOR PROFESSIONAL

Hands from God Tools from MARVEL to finish the job

**MARVEL, creating customer satisfaction
by making sure the job is done right.**

MARVEL

- * Marvel has inherited the founder's management concept "Creation". We believe we are in the business of creating customer satisfaction, first and foremost. Being led to more customers, we can understand more about what our customers want. From this, we can create new products that are very marketable and our reputation and sales are constantly being raised by leaps and bounds.
- * We are totally committed to meeting our customers' needs and we firmly back all our products for their quality, reliability and long life. We want our customers to know that they are buying more than a tool when they buy MARVEL products.
